

REMARKS:

This application is a continuation of co-pending nonprovisional patent application number 09/695,411, entitled "LIQUID CRYSTAL DISPLAY STRUCTURES AND METHODS OF FORMING THE SAME." Claims 1-8, 25-34 and 46-54 were subject to a restriction requirement in the previous application and were not elected during the prosecution of that application. Non-narrowing amendments have been made to claims 25, 46 and 54 to correct minor typographical errors. No new matter is added by these amendments. Support for claims 1-8, 25-34 and 46-54, including the amendments to claims 25, 46 and 54, is found in the specification as filed.

No fee is believed to be required for this Response to Notice of Non-Compliant Amendment. However, in the event that a fee is required, the Commissioner is hereby authorized to charge such fees to Deposit Account no. 50-0436.

Respectfully Submitted,
